ON-LINE SIZING & SELECTION SOFTWARE

- sizeit.tolomatic.com. Supply application information to size and select the proper actuator.
- Expect prompt, courteous replies to any application and product questions from Tolomatic’s industry experts at 1-800-328-2174; help@tolomatic.com

- Configurable stroke lengths and flexible mounting options.
- High quality, 100% factory tested 3D models and 2D drawings available in all common formats.

TOLOMATIC’S DESIGN PHILOSOPHY

THE DIFFERENCE

STANDARD PRODUCTS MODIFIED PRODUCTS CUSTOM PRODUCTS

Tolomatic offers a complete product line of rodless electric/pneumatic actuators, rod-style electric actuators, controllers and safety systems.

- A broad array of electric, pneumatic and power transmission products.
- Actuators configured and built to specific stroke lengths with flexible mounting options.
- Configurable stroke lengths and flexible mounting options.

HIGH VOLUME OEM DESIGNS

This actuator, capable of extremely high speeds for nut placement in automobile projection welding is an example of a custom product designed and built by Tolomatic.

- Unique OEM requirements not solved by existing solutions.
- High volume OEM designs.

3D CAD LIBRARY

- Greatly reduces time and cost of creating drawings.
- Immediate access to 3D models.

INNOVATIVE PRODUCTS

- Expert technical support.
- Extensive motion control knowledge.

EXPERT TECHNICAL SUPPORT

- Configurable stroke lengths and flexible mounting options.
- High quality, 100% factory tested.

FAST DELIVERY

- Build-to-order.
- Certified site.

BUILT-TO-ORDER

- Fast delivery.

HAMEL, MN USA

ACTUATOR SIZING

- On-line sizing & selection software.

TOLOMATIC'S DESIGN PHILOSOPHY

- 3D models and 3D drawings.
- Actuator in 3D format.

3D CAD LIBRARY

- Online access to 3D models.

3D CAD LIBRARY

- Build-to-order. Supply application information to size and select the proper actuator.
